Dear All ACRA Members,

Please be warned that **Hackers** might ask ACRA members to click into some hyperlink in emails which were sending out by ACRA recently.

However, please be alerted that **ACRA normally not asked members to click into any hyperlink directly via emails.**

ACRA are normally dispatched our "Circular" to all members for information only but **not ask for return replied by "hyperlink"**. Some **counterfeit emails** might be dispatched by Hackers to collect your data for their benefits.

ACRA is conducting a security system to against it, however, **it is not easy to stop any Hacker to attack your PC or collect your data in the Internet world.**

Please take a very serious attention to all of this.

Thanks & Regards

Wendy Lau
